Triangle Party Sail

### Optional Fixing Accessories

You can set up your sails with any of these accessories.

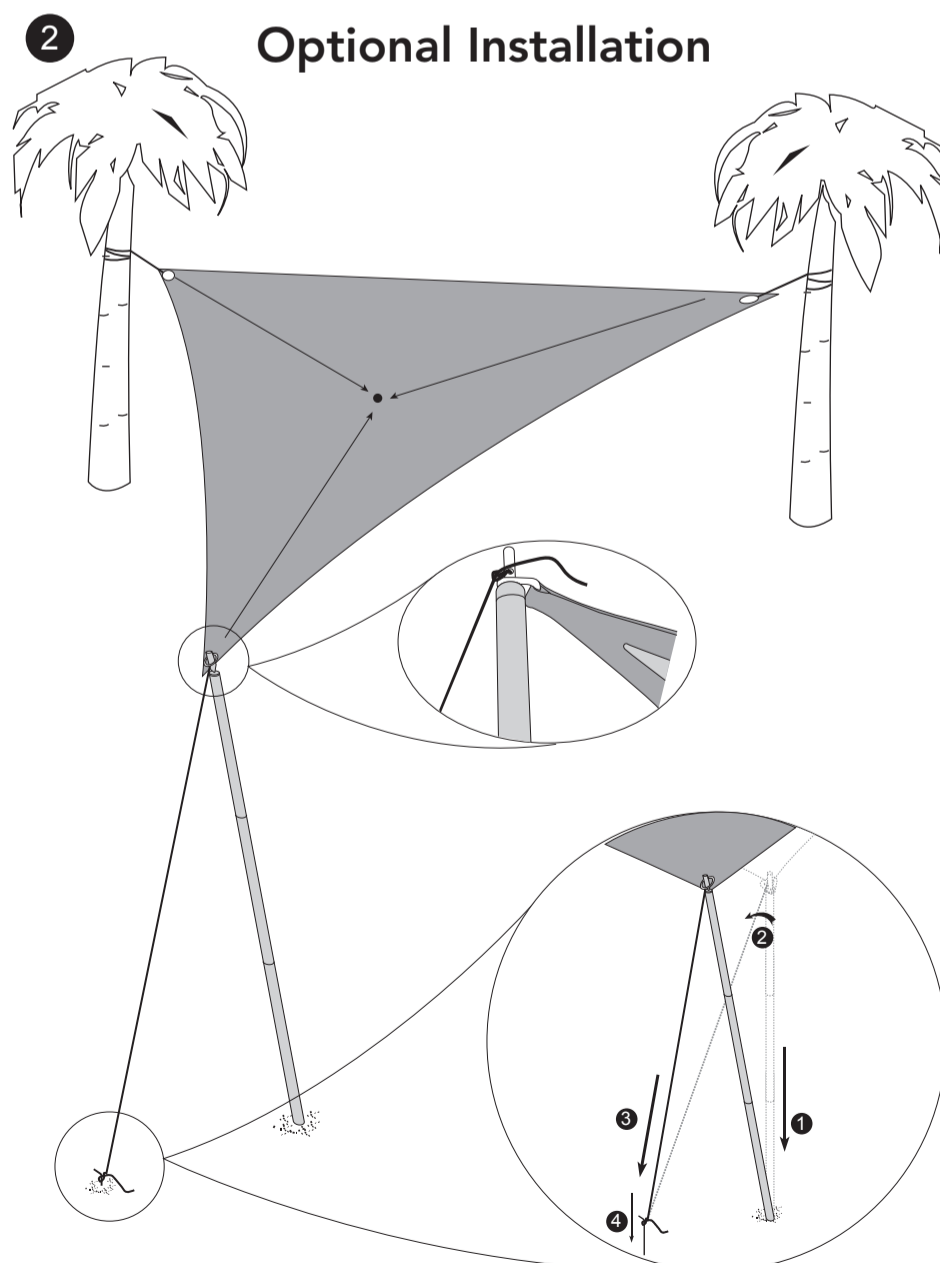

-1-

Your Coolaroo® Party Sail is designed for **TEMPORARY** use only and should not be left unattended and should not be left up in windy or stormy conditions. Please refer to options on page 1 if you wish to use other fixing accessories. User discretion is advised.

-2-

Your Party Sail can also be used with poles. If using a pole, be sure to use a snare line to secure the pole to the ground at an angle for maximum tension. Ground stakes not included.
